About Us

Wags and Whiskers is a growing pet care company specializing in high-quality doggie daycare, boarding and in-home pet sitting services. We cater to the clients who do not want their dogs to be kenneled during the day. The company began in 2008 as an in-home pet sitting and dog walking service with great success.

In early 2015 we opened our new facility at 9301 Treasure Hill Road in Little Rock and began offering our Canine Play Center (doggie daycare), overnight boarding, extended-stay boarding, dog training, and bathing. So while you spend time doing important human stuff your dog is having a great time playing, socializing, and doing doggie stuff. Your dog will have access to the largest indoor play area in Little Rock as well as an outdoor play area too.
